30) In October 1925, the D.C. Shimoga recommended that permission may be accorded to the Mahomedan residents of Bhadravati to complete the Masjid building they have commenced near the bridge at about the junction of the Shimoga Tarikere and Chennagiri Roads. The Municipal Council supported the above recommendations, ~~this~~ in view also to the fact that the Mahomedan residents had executed a Mutchalika binding themselves not to object to the passing of all processions with music in front of the Masjid building and not to allow ~~any~~ burial in the Masjid premises. The H.C. further stated that the Mahomedan residents will be asked to fix a stone tablet at the main entrance of the Masjid mentioning the date of ~~execution~~ erection and the conditions attached to above. This recommendation of the H.C was sanctioned by G.M.R on 14.12.25

31) Subsequently the Hindu residents of Bhadravati Town petitioned to His Highness

3rd) The question of relaxing the condition of fixing the Stone tablet in front of the Mosque at Bhadrakali had considered in Council and the instructions were that the Stone tablet may be got fixed as already ordered.

These instructions were conveyed to the M.C on 7.6.1934 and he had also requested to depute the result of action taken for the information of Govt.

5th) The M.C has with his office letter dated 19th September 1935 forwarded the D.C's report dated 10.9.35 stating that the S.D.O. Shimoga had requested on 10th August 1935 to give effect to the Govt order without further delay, if necessary with the help of the D.S.P. and submit a report. Final report from the M.C is awaited.

39) The stone tablet will record the terms on which the building was allowed to be completed. The permission was given by Govt. and it is to satisfy a Government order that it is to be fixed. What the Hindus who is inclined to be mischievous will say is not important. The tablet is not meant as a slur on religious sentiment and need not be understood as such. As the leaders who know the conditions pass away and new leaders come some arrangement by which the latter would automatically understand the nature of their rights is required. The tablet is to serve this purpose.

40) The matter has been considered

42) I inspected the mosque during my recent tour in the Shimoga Dt. The tablet is not yet put up & the D is awaiting further orders. I impressed upon the D.C the desirability of preventing as far as possible, all unnecessary & mischievous attempts to play music in front of the mosque just for annoying & to confine licenses to play etc to moment case.

43) As regards the fixing of the tablet etc., I think it is desirable that the order should be given effect to. The D.C. is of that opinion also. The Mahomedans that there was no question of any humiliation. The matter like a make no mention of this but the G.O. issued immediately asserted this is that it is a formal Govt. order the orig. of G.O. is in English version

SIR,

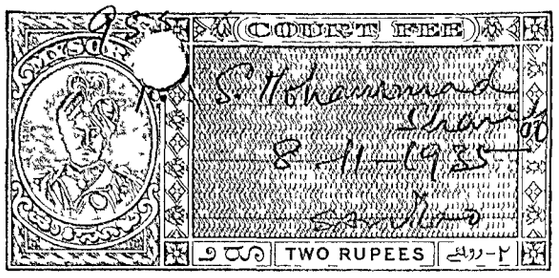
Fixing a stone tablet in front of the Masjid at Bhadravati.

In continuation of this office letter No.H.C.122/34-35 dated 5-9-1935 re: the above, I have the honor to forward herewith for information, a copy of an ad interim letter No.Muz.1-C.2369/32-33 dated 10-9-1935 from the Deputy Commissioner, Shimoga District.

I have the honor to be,
Sir,
Your most obedient servant,

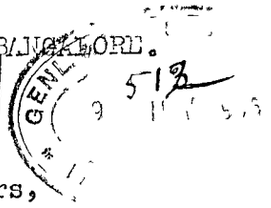
N. Madhava Rau

Muzrai Commissioner.



The Government of His Highness

the Maharajah of Mysore, BANGALORE.



Petitioners:- Abdul Khuddoos and others,
residents of Bhadravathi.

The Petitioners beg to state:-

1. That they are the Muslims residents of Bhadravathi.

2. That their Mosque, the only one that is in existence, is situated on the Bangalore - Honnavar Road, near the Bhadravathi Bridge. This Mosque is in existence since about eighteen years.

3. At the time the Mosque was built, the Mussalmans of the place executed a Muchilka in favour of the Government that they will not object to the procession of Sri Narasimha being taken before the Mosque accompanied with music. This undertaking extended to all religious processions of the Hindus.

4. That according to the undertaking aforesaid we have abstained from interfering with the processions and have always co-operated with our Hindu brethern in their taking out these procession and performing their festivals.

5. That perfect amity and cordiality has existed between the Hindus and Mussalmans since a

since a very long time and on no occasion have we given them therein any cause for grievance.

6. That since about a year ago, some Hindus with a mischievous bent of mind have been trying to forment trouble by insisting upon the terms of the aforesaid Muchilka being inscribed on a stone and fixed up in or about the Mosque. This has calculated to injure the feelings of the Mussalmans as they sorely feel that this insistence has no justification whatsoever especially in view of the fact that they have always lived with them in perfect harmony and never they have interfered with their processions as undertaken by them about 18 years ago.

7. That about a year ago when the Dewan and the then 1st Member of the Council paid a visit to the place, the Mussalmans in a body represented to them the new turn that events have taken.

8. Both of these high officials prevailed upon the Hindus not to insist upon the installation of the inscribed stone. At this the Hindus agreed to abide by their instructions.

9. But in spite of this the Hindus persevered in their attitude and carried on their agitation with the result that the Government passed an order that the stone should be fixed at or near the Musjid.

10. On a representation being made by us to the Government, the Government passed an order that we must conform to its orders.

11. That we are law abiding citizens of the

His Highness the Maharaja and will not do anything that will give an impression that we are bent upon challenging the order of the Government.

12. In spite of this, however we can remain without giving expression to our feelings of resentment at the attitude taken up by our Hindu brethern. Their attitude is extremely unreasonable and unjustifiable. The feelings of the Mussalmans of Bhadravathi and of the surrounding parts are very much exercised. Last week the Hindus in a great congreation came carrying the stone which is proposed to be fixed. We requested the Deputy Commissioner to stop taking action until our representation to the Government is heard and decided.

13. We pray therefore that the Government will be pleased to ~~review~~ the order passed by the Government and inquire into the case once again and that pending the disposal of the petition stay order be ~~granted~~, issued from the Deputy Commissioner Shimoga, restraining him from enforcing the fixing of the stone.

For Muzrai Commissioner.

Agreement executed by the Mussalman residents of Bhadravathi.

Whereas we have newly constructed a mosque near the bridge at Bhadravathi at the place where the Tarikere, Channagiri and the Shimoga roads meet, we hereby declare, by means of this agreement that we will not cause any kind of obstruction to the taking of processions by the Hindus with accompaniments of music (Baja Bhajantri) near the said - mosque, that we will not bury any corpse within the compound of the mosque and that the door of the mosque will be so placed as to face the east and no other direction. In case a public road runs in front of the mosque, that is on the eastern side, music must be stopped before the mosque; if on the other hand, the road runs behind, that is, on the western side of the mosque, we declare that we have absolutely no objection to the playing of music on that road.

Agreement executed on 22nd July 1925.
